We can't do it without you. There is no better way to start the holiday season than by joining the fun and participating in the Venice Christmas Boat Parade of Lights.

The Board of Directors are happy that you are supporting this great event by participating and to our sponsors for their support. Because of this great show of community involvement, we have been able to support various Youth boating programs, as well as annual scholarship(s), and various other programs.

We welcome your input and hope to make this the best Boat Parade in our history. Please read the rules and help us make this a safe and enjoyable parade for everyone! Contacts are at the bottom of each page.
